## **Introduction to our Services:**

**May we please introduce ourselves by firstly assuring you that, within our law firm, your primary point of contact will be a Thailand licensed lawyer, who is fluent in both English and Thai languages. In addition, our law firm has legal counsel as our primary business and we do not engage in any business dealings that are unrelated to law.**

**Biographies of our staff, complete with educational and professional qualifications, membership in and good standing with professional law societies, and articles published in professional journals, are all available to our customers upon request.**

**We are a full service immigration law firm with extensive experience. Whether it is a Thai Business Visa, Thai Education Visa, a Thai Marriage Visa, Permanent Residency (PR) or Naturalisation, we can assist with all aspects of Immigration to Thailand. In addition we can help on Civil and Criminal Law and litigation, consulting including Thai Company business registration and incorporation.**

**Thailand is of course an integral component of the ASEAN Association. We can provide legal and consulting services to those from other ASEAN nations, or from outside of ASEAN, who wish to undertake business activities in Thailand and the ASEAN region.**

**We certainly look forward to being able to assist you in any of the aforementioned areas.**

**Our law firm provides a trusted Thai Immigration Consultant service.**
